

FUNDS CONTINUE TO GROW FOR THE OAK TREE CAMPAIGN!

Our first fundraising campaign to reclaim the beautiful landscape that once graced the Oakridge Estate is headed towards success! Thanks to the generosity of Valley residents, pledges from several local Neighborhood Councils, and the friends and family of Barbara Stanwyck, we are over 50% towards our goal to **Help Bring the Oaks Back to Oakridge.**

The goal of the Oak Tree Campaign is to replace the three significant oak trees original to the front and rear of the Stanwyck/Oakie residence with three substantial California live oaks. Plans also call for an irrigation system and replacement of the shrubbery and groundcover surrounding the home. Recreating the ambiance at Oakridge will allow Friends to host major events at the property for the enjoyment and enrichment of the entire community

Please help us reach 100%!

Did you know ***there are no City funds available*** for the renovation of the Oakridge residence and the grounds that surround it? The mission of Friends of Oakridge is to raise funds for the rehabilitation of the Stanwyck/Oakie house and grounds in partnership with the Los Angeles Department of Recreation and Parks. Please assist us in our efforts to bring a greatly needed destination for cultural activities and events to our San Fernando Valley.
