The holidays are difficult for families experiencing homelessness. Unfortunately, many children miss out on the magic of the holiday season because their parents must prioritize their spending on more essential things such as transportation, food, and clothing.

Please help us ensure that every child in shelter still experiences the joy of the holidays. With your support, every child will receive presents this holiday season. Every little bit helps to make a difference.

Donations may be received in our main office at 614 Massachusetts Avenue, 3<sup>rd</sup> Floor, Cambridge, MA 02139. If you'd like assistance with a donation pick up or have questions concerning the Holiday drive please contact **Program Manager, Madeline Garcia-Gilbert** at [mgarcia-gilbert@hild-selfhelp.org](mailto:mgarcia-gilbert@hild-selfhelp.org) or **617-491-5752 x113**.

We ask that donations be delivered to Hildebrand by **December 7<sup>th</sup>, 2019**, to guarantee timely delivery to families before the holiday.
