

2017-18 Time & Talent Hours Guideline

As stated in the MBS Student Handbook, "Our family commits to thirty hours of time and talent to be given to the school and /or church each year. (A year is from registration to re-registration.) Time and Talent hours are required and reviewed prior to re-registration each year. Hours must be completed in order to receive the in-parish tuition rate."

- Use the chart below as a guideline as you record your hours for the 2017-18 year. **This list is not a complete list of available opportunities to receive Time & Talent hours.**
- Beginning March 1, 2017, log your Time & Talent hours on the attached pink index card.
- Send your pink index card (one per family) to the MBS office by the end of February 2018.
- More information for opportunities, including committee contact information, can be found on the Home & School website, housed under "parents" tab. Additional church ministries may be found at <http://mbsparish.org/>.
