The Masonic Angel Fund™, founded in 1998 by Freemasons in Orleans, MA, is designed to change kids' lives - one community at a time and one child at a time. 100% of the money raised stays in that community with the sponsoring Lodge covering all expenses.

The MAF™ provides modest assistance for children who fall outside the criteria of local social-service programs. It provides glasses, warm clothing, shoes, or sometimes covers minor health services. MAF™ also helps supplement children's education offering scholarships in music and fine arts instruction. Applications to the Masonic Angel Fund ™ are made confidentially through local school principals, counselors and school nurses. Visit www.masonicangelfund.org to learn more.
