Weekly Enrichments

On top of daily themes, your child gets to enjoy these awesome weekly extras — from dancing and drumming to garden science and PE! These recurring activities provide a fantastic opportunity to explore new interests, develop skills, and stay active throughout the summer.

Dance N Beats

Every Tuesday at 2:30 PM
Kids move, groove, and build rhythm and body awareness through dynamic music and movement sessions. Perfect for burning energy and fostering creativity!

Drums

2nd Tuesday at 9 AM + Every
Wednesday at 2:30 PM
An exciting introduction to rhythm and percussion, allowing campers to experiment with different sounds and beats in a fun, engaging way.

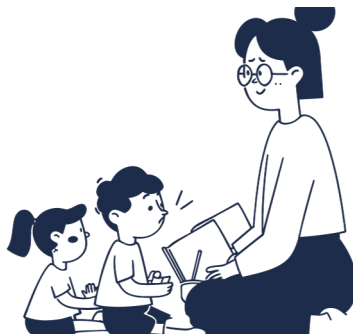

STEAM in the Garden

Hands-on science and nature exploration come alive in our outdoor garden classroom. Campers discover plant life cycles, ecosystems, and environmental science.

PE with Coach Andrew

Focused on teamwork, coordination, and gross motor skills through guided games, sports, and energetic movement activities, all led by our fantastic Coach Andrew!

Summer Bridge Montessori

June 29 – July 24, 1–2:30 PM

An optional enrichment for ages 3–6, designed to ease the transition to school-year learning by reinforcing foundational concepts in a supportive Montessori environment.

See you next summer, adventurers! Thank you for an incredible 9 weeks. Every single camper has been brave, creative, curious, and kind. We are so proud of each and every one of you! Keep adventuring!
