April 12, 2021

Dear Fort Lupton Chamber Board of Directors,

It has been my privilege to serve the Fort Lupton Chamber of Commerce and Community of Fort Lupton these last five years. You have been an incredible community and, in some ways, family. It is with a deep gratitude that I am writing to submit my resignation as the Fort Lupton Chamber of Commerce Executive Director. If it pleases the Board, I would like to remain with the Chamber through the Annual Awards Event and my last day to be May 26<sup>th</sup> to finalize all details following the event.

I cannot express adequately what my years in Fort Lupton have meant to me and the relationships that have been formed. Thank you for allowing me to partner with you through all that we have accomplished. I will always cheer for Fort Lupton!

Going forward, I will be taking the CEO/President position with the Brighton Chamber of Commerce. It wasn't originally on my radar; however, I am hopeful that our two Chambers/Communities will continue to be great neighbors to one another.

Thank you for every kindness and bit of friendship. I have enjoyed all my days serving Fort Lupton.

With Kind Regards,

*Natalie Cummings*

Natalie Cummings  
Executive Director
