Re: Participation in Milwaukee Children's Choir

The success of Milwaukee Children's Choir (MCC) has been dependent, in large part, on the support of school music educators in Southeastern Wisconsin. It is mandatory for every MCC singer to be an active participant in his or her school choral program if one is available. The only exceptions would be where the student must choose between instrumental and vocal music, or where a scheduling conflict or proven medical issue prevents the student from participating in the choral program.

Our singers have been asked to present this form to you for your signature. Please sign and return to the MCC member or the MCC office by October 7, 2016. Should you have any questions regarding this policy, please feel free to contact me at any time.

Once again, we thank you for sharing your most talented musicians with us and wish you continued success in your music education program.

Sincerely,

Marco Antonio Melendez
