

Public Hearings on the Needs of Older Adults

Elder Services of Cape Cod and the Islands (ESCCI), the federally designated Area Agency on Aging (AAA), announces its participation in the **2025 Statewide Needs Assessment Project**. Data collected will be used to identify gaps in services, as well as in the development of programs to support elders, their caregivers, and the disabled living in the community.

ESCCI encourages community participation in the process and invites residents of Barnstable County age 60

or better and their caregivers to attend a public hearing via ZOOM. All responses will be kept confidential and will not be shared outside of ESCCI and the Executive Office of Elder Affairs.

Public Hearing for Barnstable County Friday, October 18 at 11:00 a.m.

Individuals and their caregivers can also weigh in via an online survey at <https://app.keysurvey.com/f/41748328/8b22/>. In addition to the on-line survey, the survey is also available in hard copy in several languages including Portuguese, Spanish, Haitian Creole, Russian and Chinese. If you wish to receive the survey in any of these languages or others, please contact Sarah Franey at **508-258-2406**.
