International Overdose Awareness Day (IOAD) is held annually on August 31st. My theme annually is "Together We Can," which emphasizes the power of communities when they stand together. IOAD is the world's largest annual campaign to end overdoses, remember those who have died, without stigma, and recognize the grief of their loved ones.

If your organization would like to have a resource table at this event, please contact Dawn at 508-737-0086 or email at tdtkber@gmail.com
