Latham Centers Human Rights Committee Seeks a Volunteer Nurse

Latham Centers, Inc. is a non-profit Cape Cod based agency that provides educational, residential and vocational training and support to individuals with disabilities. We serve 50 children in our special education, residential school in Brewster. We also serve 51 adults in 11 residences scattered around the Cape, as well as Shared Living and Independent Living clients.

Latham has a volunteer oversight committee that helps review our human rights practices. The Human Rights Committee is comprised of at least 5 members including a parent of a service recipient, an individual who receives services, an attorney, a social worker and a nurse.

We currently have a vacancy for the volunteer nurse position. The role can be filled by an RN or LPN and can be someone currently practicing or retired (current license not required). The nurse role is to give a quality check to our medication administration practices.

The Human Rights Committee meets 4 times a year, at 5:00 for approximately an hour and a half, currently via Teleconference.

Please contact Rebecca Amaral, Human Rights Coordinator, for Latham at 508-237-2684 if you might be interested in learning more about this volunteer activity. Thank you.
