Do you need a little extra help this holiday season?

HPC's annual holiday gift program, Adopt-a-Family, supports families with children living in the 8 Lower and Outer Cape towns from Harwich to Provincetown.

If you're interested in learning more about this program, please give us a call at (508) 255-9667 x100 or email help@hpccapecod.org

Thanks to the commitment and generosity of our local community, Adopt-a-Family brings the Lower and Outer Cape together to ensure that children and families in need have the opportunity to celebrate the holidays with joy.
