

REAL TALK !

Thurs, Oct 10

6:30 pm

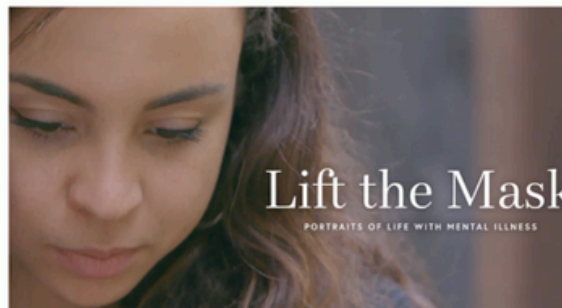

Dennis-Yarmouth High School

(no charge)

Behavioral Health Innovators

The Quell Foundation

present “Lift the Mask: Portraits of Life with Mental Illness” documentary followed by interviews and Q&A on mental & behavioral health for our Cape Cod youth

<http://bit.ly/46fuu87>

We invite all those caring for our youth to attend.

This is a powerfully intense film ...so touching and real...It is also important for high school and college-age students to view.

Parental/guardian permission required for those under 18.

Therapists will be immediately available for confidential consultations after the screening.
