

We Are Here For You!

Offering convenient care
through virtual visits

Community Health Center of Cape Cod
is meeting the rapidly changing needs of
our community by offering:

- Virtual primary care, behavioral health
and substance use disorder visits
- Access to emergency dental care
in Mashpee and Bourne
- Walk-in care services in Mashpee,
six days a week (Monday - Saturday)

*David Tager, MD
Mashpee*

**It is important to have a trusted health care team to rely
on, especially today. CHC of Cape Cod is here for you.**

**Call (508) 477-7090 or visit CHCofCapeCod.org
to become a patient or to learn more.**
