

Family Grief Group

For families with teens & tweens

A death loss affects the whole family, and everyone processes their grief differently. Sharing Kindness offers free clinician-led peer grief support designed to meet the needs of families with tweens (ages 9-12) and teens (ages 13-17) on Cape Cod. Our family program runs for the academic year.

WHEN: 1st and 3rd Thursdays of each month, 5:30-7:30 PM

WHERE: South Harwich, MA

HOW IT WORKS: Starts with a light supper at 5:30 PM, followed by separate groups for parents/caregivers and children from 6-7:30 PM.
