

Your Life Your Legacy

Wednesday, September 18

1:30—2:30

Brewster Council on Aging

Join Ronald Eaton, Director of Advanced Planning and Joseph Medeiros, Advanced Planning Manager, both of Nickerson and Doane, Beal, and Ames Funeral Homes, for this talk on the importance of pre-planning final arrangements for oneself or other family members. Creating a plan ensures that during an already difficult time, family can focus on support and healing and not having to come up with a plan and the transactional business it involves. Emphasis will be on securing, documenting, and sharing the plan.

Don't miss this opportunity. Space is limited.
Call the COA at 508-896-2737 to reserve your seat.
