

Upcoming LEAP Onboarding Sessions

BSAS Living Expertise Advisory Pool (LEAP)

The following onboarding session have been scheduled, and additional session details will be shared as they are scheduled. After completing all three onboarding steps (Orientation, BSAS 101 eLearning module, and relevant Community Academies) LEAP members become eligible for consulting opportunities. You may complete these steps in any order.

BSAS 101

This is an asynchronous training you can complete on your own time. Please refer to instructions attached to your LEAP welcome email for more information.

LEAP Orientation

The next round of 2025 virtual orientations are offered during daytime, evening, and weekend hours to accommodate varying schedules. Register to attend one of these options, or join future sessions that will be offered regularly with details provided when scheduled.

Community Academies

Community Academies consist of one or more trainings in partnership with BSAS units, providing an overview of the work they do, and will be offered on a rolling basis. The first Community Academy series available to LEAP members will focus on Procurement, and will prepare LEAP member to participate in developing or reviewing funding applications.

Procurement Community Academy 101: Intro to BSAS Funding

Wednesday, December 3rd 11:00am-12:30pm – [Register here](#)

Procurement Community Academy 201: Community Reviewer Training

Wednesday, December 10th 11:00am-12:15pm – [Register here](#)

Note that members of BSAS Community Advisory Boards or other community consultant bodies who have already completed Community Reviewer Training do not need to do so again as LEAP members, though all are welcome to repeat Community Academies at any time.
