

Have you or someone you know suffered the death of a child, sibling or grandchild?

The Compassionate Friends RVA is a local chapter of a national, nonprofit, self-help support organization for those who have lost a child, sibling or grandchild - from any cause and at any age. We have monthly meetings to support each other as we travel the long road in this life-changing grief journey. The Compassionate Friends is not a religious organization; we welcome everyone.

Offering Friendship, Understanding and Hope

The Compassionate Friends RVA
