

**Watertown Unified School District  
Summer School 2020**

**\*IMPORTANT information for parochial school students enrolling in  
Summer School\***

Summer School runs June 16 through July 16, 2020.

All parochial school students interested in attending Summer School 2020 will need to complete a new enrollment form. If your child has previously attended summer school, you already have a Skyward login and password. However, your student is not enrolled for this summer until we receive an enrollment form. You will not be able to schedule classes online until we receive this. If your student has specific health concerns or conditions, you must complete a health form as well. All forms should be turned in to your child's school by March 6. You can also scan and email forms to Amanda Ristow at [ristowa@watertown.k12.wi.us](mailto:ristowa@watertown.k12.wi.us) or fax to (920)206-7438. After March 10, you will need to drop them off at Schurz Elementary School, located at 1508 Neenah Street.

Online registration will begin Thursday, April 2 at 4 pm. Prior to April 2, a Skyward login and password will be e-mailed to each newly enrolled student. Families having a login and password from last year will not need new one. Parents needing further information regarding Skyward login and passwords may e-mail Amanda Ristow at [ristowa@watertown.k12.wi.us](mailto:ristowa@watertown.k12.wi.us).

Grades 1 – 12 will attend summer school classes at Watertown High School, and those in 4K and Kindergarten will be held at Lincoln Elementary School.

All busing students will need a completed Summer School transportation form. This will be accessible through Skyward at [www.watertown.k12.wi.us](http://www.watertown.k12.wi.us) under the **Families/Skyward Family Access** tab.
