

From the Corner Office

October 2023

I hope this message finds you all in good health and high spirits.

I am thrilled to extend a warm invitation to you for an evening that promises to be both uplifting and impactful.

Lakes Region Mental Health Center is honored to present the immensely talented **Sarah Blacker in concert at the Colonial Theater** in Laconia, on **Tuesday, October 24th, at 7:00 p.m.** This event is not only a musical treat, but also a vital fundraiser for our center. All funds raised will be donated to LRMHC, directly supporting our mission to provide comprehensive mental health services and community education to the residents of the 24 towns we serve in Belknap and Southern Grafton counties.

To secure your tickets, please visit www.coloniallaconia.com. Your presence at this event will make a meaningful contribution towards the mental health and well-being of our community.

After the concert, we have a special panel discussion planned, featuring experts in the field of music and art therapy, as well as individuals who have experienced the transformative power of these therapies. This discussion will provide valuable insights into the licensure and accreditation processes within music therapy, and highlight the profound impact that music and arts have on the healing journey.

Your support is invaluable to us, and we are deeply grateful for your commitment to our shared vision of enhancing mental health and wellness in our community. We look forward to welcoming you and sharing this inspiring evening together.

Warm regards,

Maggie Pritchard
Maggie Pritchard, Chief Executive Officer
