Hello friends,

We're excited to announce the inaugural **Nucar Lakes Region 5K for Mental Health** on Sunday, May 18th, 2025, at the Tanger Outlets in Tilton. This event, which will be held annually, is part of our efforts to raise awareness during Mental Health Awareness Month in May. We understand the significance of this cause to many across our communities and would be delighted if you'd join Nucar and consider offering your support as a sponsor.

The race follows a USA Track & Field certified course that traditionally attracts hundreds of running enthusiasts from across the nation. This presents a fantastic opportunity for your business to gain meaningful marketing exposure. By becoming a sponsor, you can demonstrate your commitment to mental health and community wellness, while also promoting your business.

We look forward to your potential involvement and working together to improve our community. If you have any questions or need more information, please event director Beth Vachon at the number below.

To claim **your** spot, please return this form to the address below, or visit **[www.lrmhc.org/events/5k](http://www.lrmhc.org/events/5k)** to complete it online.
