

Dear Panther Families,

First, let me thank you for your patience and understanding as we navigate these uncharted waters. We have been working hard to assure the safety and education of all students and staff members as the school year begins. Due to guidelines set forth by the CDC, Ohio Department of Education and our local health department, we have made some changes to our preschool program. For this year we will be offering:

- CUB program 5 days a week
- 4-year-old program slightly modified

With the guidelines and requirements related to COVID-19, we will not be offering 3-year-old preschool this year.

The CUB program will meet 5 days a week when we are in person full time. When SCCS is operating under a hybrid model, all CUBS will be in session Monday, Tuesday, Thursday, Friday. Online activities will be offered for virtual learning through Google Classroom on Wednesday. If SCCS moves to remote learning, parents will have the option to opt in to weekly online virtual lessons/activities and Google Meets with teachers and classmates.

The 4-year-old program will have two classes, a gold class and a blue class. When SCCS is in person full time, the gold class will attend Monday, Tuesday and every other Wednesday. The blue class will attend Thursday, Friday and every other Wednesday. When SCCS is operating under a hybrid, both sections will have a virtual Wednesday lesson/activity. If SCCS moves to remote learning, parents will have the option to opt in to weekly online virtual lessons/activities and Google Meets with teachers and classmates.

More information on procedures, protocols, and class lists will be provided closer to the start of school on September 8th.

God Bless,

Mrs. Lisa MacMurray
Preschool-5 Principal
