

PANTHER MINI CHEER CLINIC

The Panther cheerleaders will be hosting a football season mini cheer clinic for students in preschool through 8th grade. This event is being held during an in-service day, so bring your kiddos for some all day fun! The High School cheerleaders will work with the students to learn healthy nutrition, proper stretching techniques, motions, jumps, sideline chants, group cheer, tumbling, and dances.

They will also do some face painting in preparation for game night glam. Participants will receive a team t-shirt and a special cheer gear item. All participants are invited to join our panther cheerleaders during the first quarter of the Varsity football game. The football game is also “pink out” night, so we would love to see everyone decked out in their pink gear in support of breast cancer awareness and prevention!
