

TEAM UP WITH THE PANTHERS

Team up with the Panthers and reach more customers with our awesome indoor and outdoor advertising opportunities!

Take advantage of year-round signage opportunities indoors in the newly renovated Multi-Purpose Room (MPR) which is home to well over 100 athletic contests every year, providing your ad with thousands of impressions.

If you want to go outdoors, full color banners on the Zierolf Field fence will be on display all year long on one of the higher traffic areas in town between Perkins and Tiffin Aves. These double sided banners will be visible to fans during games and practices and to traffic passing by on the road.
