Dear Students and Parents,

Sandusky Central Catholic School is working every day to invest in our students, as we provide innovative classrooms, challenging courses, and a faith-centered curriculum. Because of the generosity of wonderful donors, the ***Sandusky Central Catholic School Education Foundation*** will be distributing over \$100,000 in scholarships for students.

These funds will be available to the following students:

- eighth grade students entering SMCC in the fall of 2018
- current high school students who attend SMCC
- graduating seniors who will be attending a college or university next year

**We invite you to apply for one of these scholarships!**

To qualify for these scholarships, applications must be turned into the SCCS Education Foundation no later than **Friday, February 9<sup>th</sup> by 3pm**. Because of a tight timeline, there are no exceptions for late applications. Parents, please assist your student with this process by reviewing his/her application for accuracy and completeness.

Students must be in good standing and current with all tuition and fees to be eligible for awards. The Finance office will verify eligibility by April 6, 2018, and again before the funds are actually distributed.

For your convenience, additional applications are available to download on our school website at [www.sanduskycc.org](http://www.sanduskycc.org)

All recipients will be announced at the end of the school year during their respective award ceremonies. If you have any questions regarding this process, please contact me directly at 419-626-1892 ext. 246.

Happy New Year and best wishes for completing the scholarship application process.

Sincerely,

*Jeanette*
