NYSCATE
Innovate. Educate.

CERTIFIED INSTRUCTIONAL COACHING PROGRAM

NYSCATE certified Instructional Coach

$550
includes 1 year premium NYSCATE Membership

About the Program

Throughout this course, you will explore various facets of instructional technology coaching, including integrating digital tools, educational software, and cutting-edge technologies into lesson plans and curricula. You will learn how to assess the needs of teachers and students, identify technological challenges, and provide tailored support to enhance the teaching and learning experience.
