20           (e) DISADVANTAGED BUSINESS ENTERPRISES.—

21                   (1) FINDINGS.—Congress finds that—

22                           (A) while significant progress has occurred  
23                           due to the establishment of the disadvantaged  
24                           business enterprise program, discrimination and  
25                           related barriers continue to pose significant ob-

1           stacles for minority- and women-owned busi-  
2           nesses seeking to do business in Federally as-  
3           sisted surface transportation markets across the  
4           United States;

5                 (B) the continuing barriers described in  
6           subparagraph (A) merit the continuation of the  
7           disadvantaged business enterprise program;

8                 (C) Congress has received and reviewed  
9           testimony and documentation of race and gen-  
10          der discrimination from numerous sources, in-  
11          cluding congressional hearings and roundtables,  
12          scientific reports, reports issued by public and  
13          private agencies, news stories, reports of dis-  
14          crimination by organizations and individuals,  
15          and discrimination lawsuits, which show that  
16          race- and gender-neutral efforts alone are insuf-  
17          ficient to address the problem;

18                (D) the testimony and documentation de-  
19          scribed in subparagraph (C) demonstrate that  
20          discrimination across the United States poses a  
21          barrier to full and fair participation in surface  
22          transportation-related businesses of women  
23          business owners and minority business owners  
24          and has impacted firm development and many

1 aspects of surface transportation-related busi-  
2 ness in the public and private markets; and

3 (E) the testimony and documentation de-  
4 scribed in subparagraph (C) provide a strong  
5 basis that there is a compelling need for the  
6 continuation of the disadvantaged business en-  
7 terprise program to address race and gender  
8 discrimination in surface transportation-related  
9 business.

8 shall be presumed to be socially and economi-  
9 cally disadvantaged individuals for purposes of  
10 this subsection.

11 (3) AMOUNTS FOR SMALL BUSINESS CON-  
12 CERNS.—Except to the extent that the Secretary de-  
13 termines otherwise, not less than 10 percent of the  
14 amounts made available for any program under this  
15 Act and section 403 of title 23, United States Code,  
16 shall be expended through small business concerns  
17 owned and controlled by socially and economically  
18 disadvantaged individuals.

19 (4) ANNUAL LISTING OF DISADVANTAGED BUSI-

2 percentage of the small business concerns that  
3 are controlled by—

14 State governments in certifying whether a con-  
15 cern qualifies as a small business concern for  
16 the purpose of this subsection.

17 (B) INCLUSIONS.—The minimum uniform  
18 criteria established under subparagraph (A)  
19 shall include, with respect to a potential small  
20 business concern—

22 (ii) personal interviews with personnel;

9 minimum requirements for use by State govern-  
10 ments in reporting to the Secretary—

11 (A) information concerning disadvantaged  
12 business enterprise awards, commitments, and  
13 achievements; and

14 (B) such other information as the Sec-  
15 retary determines to be appropriate for the  
16 proper monitoring of the disadvantaged busi-  
17 ness enterprise program.

18 (7) COMPLIANCE WITH COURT ORDERS.—Noth-  
19 ing in this subsection limits the eligibility of an indi-  
20 vidual or entity to receive funds made available  
21 under this Act and section 403 of title 23, United  
22 States Code, if the entity or person is prevented, in  
23 whole or in part, from complying with paragraph (3)  
24 because a Federal court issues a final order in which

1 the court finds that a requirement or the implemen-  
2 tation of paragraph (3) is unconstitutional.

3 (8) SENSE OF CONGRESS ON PROMPT PAYMENT  
4 OF DBE SUBCONTRACTORS.—It is the sense of Con-  
5 gress that—

6 (A) the Secretary should take additional  
7 steps to ensure that recipients comply with sec-  
8 tion 26.29 of title 49, Code of Federal Regula-  
9 tions (the disadvantaged business enterprises  
10 prompt payment rule), or any corresponding  
11 regulation, in awarding Federally funded trans-  
12 portation contracts under laws and regulations  
13 administered by the Secretary; and

14 (B) such additional steps should include  
15 increasing the ability of the Department to  
16 track and keep records of complaints and to  
17 make that information publicly available.

18 **SEC. 1102. OBLIGATION CEILING.**

21                  dition of the bridge, as determined by the Sec-  
22                  retary, consistent with the goals of the program

4 “(xi) reductions in maintenance costs,  
5 including, in the case of a federally-owned  
6 bridge, cost savings to the Federal budget;

7 “(C) is cost effective based on an analysis  
8 of whether the benefits and avoided costs de-  
9 scribed in subparagraph (B) are expected to  
10 outweigh the project costs;

11 “(D) is supported by other Federal or non-  
12 Federal financial commitments or revenues ade-  
13 quate to fund ongoing maintenance and preser-

8 results in tens of thousands of serious injuries  
9 and hundreds of fatalities on the roadways of  
10 the United States; and

11 “(3) the total annual cost associated with wild-  
12 life-vehicle collisions has been estimated to be
