Curated Color Collection 2019/2020

Dura Supreme's Curated Color Collection is a selection of trending paint colors that will be updated as color trends shift. This offering of colors will always be fresh and current, and reflective of popular color trends for home interiors and cabinetry. A set of the six 2019/2020 Curated Color Collection chips (plus one Painted Oak color chip in Linen White) are available to order as a set.
