Stewpot Sundays

If you would be interested in helping us cook and serve for our Stewpot Sundays, we have the following dates available: May 17th, July 12th, September 13th, and November 8th. We cook on Saturdays and serve on Sundays. If you would be willing to help, please contact christygdunaway@gmail.com.

Driving Ministry

If you would be interested in helping some of our older parishioners get to and from services, doctor appointments, or anything else they may need, please email Christy in the church office. christy@stphilipsjackson.com.

Chairperson, Dickens Dinner

Our annual Dickens Dinner will be Thursday, December 17th at 6:00 p.m. After many years, our chef Melanie Williams is retiring. If you would be interested in chairing this event, you can talk to or email Billy Ray Sigh (Parish Life chair) at billyraysigh@gmail.com or Christy in the church office at christy@stphilipsjackson.com.

Children's Chapel and Nursery Volunteers

Would you like to work with the youth of our church on Sundays? We would love to have you help us with Children's Chapel or our Nursery. We need volunteers to help lead the kids during chapel, and watch the children in nursery. There are both held during 10:30 church, and would be a once-a-month (or less) opportunity. Please talk to or email Lisa Saucier – lisas@stphilipsjackson.com.

Counters

We need volunteers to help count our Sunday offerings. We have teams of two who count the plates each week. Volunteers can count and prepare deposit on Sunday afternoons, Mondays or Tuesdays. They can either take the deposit to the bank, or leave it with Christy and she will deposit it. Counters usually serve once every six weeks, and training is simple! If interested, please contact Christy at christy@stphilipsjackson.com.

"Then he said to his disciples, "The harvest is plentiful, but the laborers are few; therefore ask the Lord of the harvest to send out laborers into his harvest.""

Matthew 9:37-38
