

Happy Spring Westmoor Families!

As the school year comes to a close, we are thinking about “Back to School” for 2021-2022. The Westmoor PTO is currently running our annual school supply sale ending June 13, 2021. We are happy to provide parents an easy option to get the supplies required for their students’ classroom. The school supply kits are assembled by our vendor, Educational Products, Inc. (EPI). We have worked with the teachers in each grade to design kits that will serve your students well and contain name brands like Crayola, Elmer’s, and Papermate.

Not only does it save you from the hassle of gathering supplies over the summer, but our school supply sale is also a fund raiser for the Westmoor PTO. A small fee is added to each kit to contribute to the wonderful programming that helps make Westmoor such a wonderful place for our kids. We have negotiated quantity discounts with EPI, so everyone who purchases a kit will receive lower pricing versus leading retailers. In the end, families will save both time and money!

Here’s how you order:

1. Go to [www.educationalproducts.com/shoppacks](http://www.educationalproducts.com/shoppacks)
2. Enter the school ID, WES760
3. Follow the directions to complete your order for the **2021-2022 grade** kit
4. Check your email for confirmation of sale from EPI. If you don’t get a confirmation, please reach out to one of us, so we can check with the company to make sure the order was placed.

Please note that sales tax will be added at checkout.

***\*Deadline for all orders is June 13\****

*We cannot accept late orders, so please pay attention to the deadlines. No exceptions!*

Delivery: All supply kits will be waiting for your child in their classroom prior to the first day of school. You will not have to pick them up yourselves. This adds to the ease and convenience of the sale!

Thank you for supporting our PTO!

If you have any questions, please feel free to contact us.
