

# Join the #KriegerCrew and help us give back to Canines 4 Comfort!

Did you know it costs approximately \$10,000 to train a service/therapy dog like Krieger? Greenbriar was lucky enough to partner with Canines 4 Comfort to receive Krieger at NO COST. Now, we'd like to give back to this wonderful organization to help them continue their mission of providing psychiatric service dogs to individuals and therapy dogs to other schools!
