Dear Parents,

Erin's Law (House Bill 6193) was signed into Illinois law in 2013. This law requires schools to implement an age-appropriate sexual assault and abuse awareness and prevention curriculum for grades pre-K through 12. Victor Pacini, a survivor of sexual abuse and motivational speaker, will be assisting our elementary schools in implementing this mandate.

Mr. Pacini's program is developmentally appropriate, interactive, and aligned with learning standards. The focus of his presentation is to teach children basic skills to keep them safe from dangerous or abusive situations. His website is <https://programs.victorpacini.com/bsh-conversation>.

Mr. Pacini and colleagues will be presenting at each of the three elementary schools. His team will be visiting Greenbriar on Wednesday, March 8th.

**Requests to Opt-Out:** If you would prefer your child opt-out of this prevention education session, please email your child's classroom teacher.

Sincerely,

Ginny Hiltz
