The preparations for the 10th edition of the HPCI CEE are in full swing! We are looking forward to welcome you as a participant, whether on site - at EXPO XXI Expocentre in Warsaw, or online and have now prepared a [Virtual Exhibitor Directory](#) for you. More than 230 represented companies from over 30 countries are waiting for you!

### FREE REGISTRATION

The [10th edition of the HPCI CEE](#) will take place as live and digital event on 22-23 September 2021, combining the physical event at the EXPO XXI Expocentre in Warsaw with an online platform. This modern, future-proof event concept offers the possibility for everyone to participate, regardless of their budget or distance from the venue. Those who cannot or do not wish to travel do not have to miss out on the latest developments and innovations but can take part in the event online.

Each year HPCI Central and Eastern Europe features a first-class exhibition as well as unique series of lectures, seminars and workshops. And whether you attend this year's exhibition onsite or online, you can also attend all scientific and technical lectures, as they will be also held in a hybrid format and will be streamed to the online lecture room.

### HPCI CEE 2021 Educational Program

#### [DKG/IKW Safety Assessor Web Seminar 2021 \(Charged\)](#)

After five successful seminars in 2014, 2016, 2017, 2018, 2019 and 2020 (online edition), the DGK/IKW Safety Assessor Seminar will be offered again in 2021, on September 22th, in combination with the HPCI CEE.
