presents...

Summer Serenade

June 8, 2025 – Boyne City HS Performing Arts Center

With special guest artist and composer, Tony Manfredonia

From Tony Manfredonia,

“I’m so excited to invite you to an evening where I’ll be blurring the lines between what it means to be both a composer & singer-songwriter, blending pop-piano with the sweeping power of a wind symphony.

Together with Tim Topolewski, Gary Stutzman, and the incredible Northern Symphonic Winds, I’m putting on a genre-bending experience – bridging gaps between classical tradition and contemporary pop storytelling.

Expect an all-new symphonic arrangement of my song “Petoskey,” plus brand-new songs that celebrate the beauty and life of Northern Michigan.”
