Dear Residents and Registered Voter of Boyne Falls,

On Tuesday, November 3, 2026, you will be asked to vote on the ballot proposal.

»THE.VILLAGE.OF.BOYNE.FALLS.PROHIBITION.OF.MARIHUANA.ESTABLISHMENTS«

We ask for your support in **VOTING NO** on this proposal.

Here are the reasons WHY:

A **NO VOTE** protects the local economy and secures critical funding for our Village. Right now, the closest dispensary for residents and patients is approximately twenty miles away-a 30-minute drive each way – meaning our local dollars are leaving Boyne Falls to benefit other towns.

A **NO VOTE** brings direct financial support to our Village, property updates, and community investments to the local area.

A **NO VOTE** means that a licensed retail store generates tens of thousands of dollars annually for the Village through Michigan's adult-use excise tax and sales tax.

By **VOTING NO**, we keep business local and capture an estimated \$60,000 dollars per year in average tax revenue for the Village of Boyne Falls, by hosting the licensed cannabis store.

NO VOTE means the Village can use these funds to repair local roads, maintain parks, and support public service operations without raising local taxes.

NO VOTE means local **PROPERTY REVITALIZATION**: Dispensaries often renovate old, empty, or blighted buildings, which clean up the look of a street and raise nearby property values.

NO VOTE means **MEDICINAL ACCESS**: Residents and patients gain reliable access to products and services that help manage chronic health conditions without having to travel great distances.

NO VOTE means **REGULATION.™ .SAFETY**: Legal dispensaries sell products that are laboratory-tested, labeled and restricted to **adults 87 and older**. Ensuring residents and patients have access to regulated and safer products.

NO VOTE means **CONSUMER EDUCATION**: Store staff provide guidance and education to residents and patients on product offerings.

NO VOTE means **INCREASED.FOOT.TRAFFIC**: Nearby businesses can benefit from the extra visitors drawn to the area.

NO VOTE is a vote for our Village's economic future.

NO VOTE keeps our Village moving forward.
