Boyne Arts
CENTER

Year in Review

Message from the President

Just when we thought it couldn't get any better ... it has! When we expanded our hours this summer, we enjoyed more visitors and more sales of art, including sales in our popular gift shop. We had such fun at our 1970s-themed fundraiser, Peace, Love & Philanthropy. In collaboration with the Boyne District Library, we held a successful Kid's Art Camp. The "Unfolding" spring exhibit showcased diverse and creative art, and our expanding array of classes have been well attended. We continue to bring art to all ages in our community. This Year in Review shares some of the Boyne Arts Center's 2025 activities and successes.

We are so grateful that you are a part of the Boyne Arts Center.

Julie Hermann • Cindy Kujawski

Highlights 2025

Kid's Camp

Elementary students in grades 2 – 8 enjoyed week-long sessions learning different mediums, art history and engaging art projects. This outreach was funded by a generous grant from the Charlevoix County Community Foundation.

Puzzle Contest

With votes cast by the community for the winning puzzles, this year's winners were Heidi Reichenbach Finley (left), first place and Sharon Wade, second place. Their art has been made into puzzles that are available for sale at the Gallery.

Classes

Many classes were held this year, in many mediums, for artists of all ages.

Demo Nights

Artists demonstrate their approach in an interactive session with questions from attendees.

Adult Art Camp Retreat

Artists enjoyed a week-long retreat of creative fellowship, with each attendee working on their own art projects.

Holiday Marketplace

From November through December, the Gallery is transformed into Santa's Workshop with a wide assortment of gifts created by our artists.

Senior Center

Seniors enjoy creating art all year long with guidance from area artists.

Peace, Love & Philanthropy

A 1970s-themed fundraiser was held at The Farm at Frog Hollow on August 21. A fun summer evening featured gourmet food, a live auction and a Laugh-In skit. The event raised \$30,000 for the Boyne Arts Center.

POP System

A big goal was achieved with the addition of a point-of-purchase system that includes inventory and bookkeeping, replacing the manual system.

Stroll the Streets

For the second year, we actively participated in Stroll the Streets on Friday nights, with interactive projects, including community art, button making and rock painting.

Spring Art Exhibit – Unfolding

To welcome spring, a season of unfolding, artists displayed their interpretation of the season.

Annual Kid's Camp

The Annual Youth Camp at Park of the Pines produces a colorful display of children's art.

2025 Financials

1/1/2025 - 8/31/2025
