

AAUW Marin Branch DEIA Book List (March 2025)

The Mission of AAUW is to advance equity for women and girls through advocacy, education and research. AAUW promotes DEIA - Diversity, Equity, Inclusion and Accessibility, factors that are key in accomplishing our mission.

This list of books is intended to encourage branch members to explore and increase our collective awareness and understanding of the principles and value of Diversity, Equity, Inclusion and Accessibility that AAUW works to realize. The suggested books, which include fiction, non-fiction and autobiographies, illuminate the concepts of DEIA through a wide range of life experiences.
