

Please help us fund the education of local students by contributing to our Annual Holiday Silent Auction! We support students through:

Local Scholarships and Awards

Each year, the AAUW Marin Scholarship Fund gives scholarships and awards to students attending Dominican University and College of Marin.

We also annually sponsor one or two women to the National Conference for College Women Students (NCCWSL), where hundreds of college women from around the country gather for three days of leadership training, inspiration and networking.

Tech Trek Sponsorships

For over twenty-five years the AAUW Marin Scholarship Fund has sponsored local middle-school girls to attend Tech Trek, a weeklong camp designed to increase interest and excitement in STEM (Science, Technology, Engineering and Mathematics).

The camp features hands-on learning and focuses on current hot topics for career exploration.

100% of all proceeds will be awarded to local students!
