Reading Plan

Spend the Year in Scripture

The **One Story That Leads to Jesus** reading plan will guide you through the entire Bible in one year. Each day, you'll read a few chapters—or occasionally skim through large genealogies or census sections—as you make your way from Genesis to Revelation.

Meditate on the Psalms

Each day's reading features a psalm for you to meditate on through quiet reflection and prayer. By the end of the year, you'll have read through this entire book of biblical poetry more than twice.

Videos for Learning

Before you dive into a new book of the Bible, we'll share an overview video that outlines the structure of the book and its central themes. In addition to these overview videos, we have also included the rest of our video library covering themes, biblical words, and other special collections such as the Sermon on the Mount. Follow the hyperlinks found in the readings for easy access to the videos. Many of these videos are relevant to more than one passage of Scripture, so you may see them come up more than once!
