

“Fear Free” SAT and ACT Practice Tests

Sponsored by LWHS PTSA

LWHS PTSA is partnering with Princeton Review to give students an opportunity to take a low-cost, practice SAT or ACT in a real test environment at school. These are actual SAT and ACT tests from previous years, administered and scored by Princeton Review, but because this is practice, scores will not go on students' record. Scored tests will be returned to students within 1-2 weeks in a free review session. Attendance is not required at the review session, but encouraged. Parents are invited to the review session.

Note: The practice SAT test has been designed to model the new SAT format. This will be a great opportunity for kids to get a sneak peek at what's ahead for them!
