New programs added

EMERGING LEADERS: Each bank attending the convention has an opportunity to invite up to two additional EL's for a reduced rate. EL's are new attendees to the convention and are selected by the President/CEO of the bank.

- 1 EL attending – \$750
- 2 EL attending – Two for one: \$1035 (same price as one full registration). See page 8 to register.

INNOVATION SHOWCASE: On Monday, September 25, IBANYS is sponsoring its initial Innovation Showcase from 3:30 to 5:30 p.m. This program will include 3–4 companies labeled “disruptors” and/or “difference makers” in the community bank segment. This is a great opportunity to hear about the changes and future of community banking as it is told by new and innovative companies.

6 minute drill returns!

For our **2017 Annual Convention**, IBANYS is continuing with a favorite — the **6 MINUTE DRILL**.

This successful segment offers our preferred providers the opportunity — from the podium — to take a brisk six minutes and showcase their firms, products and services — in short, to explain what they can do to help New York community banks.

Our **6 Minute Drills** will result in a win — for our member banks, our preferred providers and select associate members.

Here's the playbook:

TUESDAY: We will hear from our preferred providers after each session throughout Tuesday morning.

WEDNESDAY: We will schedule two more drills — these will feature two of our associate members (see *Sponsorship Form* on page 9 for more information).

7:15 – 7:45 a.m.	NETWORKING BREAKFAST
7:45 – 8:00 a.m.	Opening remarks <i>John Witkowski, President & CEO – IBANYS</i>
8:00 – 8:50 a.m.	Economic Overview <i>Gary Keith, Senior Vice President – Regional Economist, M&T Bank</i>
8:50 – 9:40 a.m.	Risk of Deposit Flight in a Rising Rate Environment <i>José González, President & CEO, Federal Home Loan Bank of New York</i> Here's an overview of the environment in which the FHLBNY's members operate, discuss challenges and opportunities that exist for local lenders, and highlight the tools the FHLBNY employs to support its members' growth.
9:40 – 9:46 a.m.	6-MINUTE DRILL – <i>Wolf & Company</i>
9:46 – 10:00 a.m.	REFRESHMENT/NETWORKING BREAK
10:00 – 10:50 a.m.	Peer Analysis: How Does Your Bank Stack Up? <i>Shawn O'Brien, President, QuickRate</i> High performing bank boards know the strengths and weaknesses of their own bank and of their competitors'. In today's market of lower interest rates and slower growth, it is increasingly difficult for a bank to earn an acceptable return on equity. That is why it is critical that management and directors measure progress toward their goals by actively tracking the absolute and relative performance of their bank and their peers, both near term and long term. This session will cover the data that should be regularly analyzed by the board including how to construct a meaningful peer group and the different methods that should be used to compare your bank against your peers.
10:50 – 10:56 a.m.	6-MINUTE DRILL – <i>Pentegra Retirement Services</i>
11:00 – 11:50 a.m.	Regaining Customer Intimacy: Apply Proven Customer Experience Management Practices to Build Rock-Solid Relationships With Your Highest-Priority Customers. <i>Chuck Bruney, Founder & CEO, Align fsc</i> Consumers and businesses are no longer steadfastly loyal to their banks. Instead, they're shopping for value and transferring larger portions of their business from one provider to another with little concern for fidelity. And, why not? They have a wider array of choices than ever before from an expanding and diverse pool of capable providers who are transforming themselves into convenient, lifestyle-oriented partners. The good news is that straightforward Customer Experience Management practices are now readily accessible to manage your customer interactions, build rock-solid relationships with your highest priority customer segments, and accelerate your bank's growth and profitability. This interactive intersession will provide you with a practical approach for how you can begin designing and reacting to your customer interactions to meet or exceed their expectations and increase satisfaction, loyalty and advocacy.
12:00 – 1:00 p.m.	LUNCH/NETWORKING BREAK
1:00 – 1:06 p.m.	6-MINUTE DRILL – <i>T. Gschwendner & Associates</i>
1:10 – 1:50 p.m.	The New Administration and Your Balance Sheet. <i>Jim Reber, President & CEO, ICBA Securities</i> In the month following the general election, interest rates spiked further than any 30-day period in seven years. Community banks' portfolios are now under water, and investment managers are looking for answers. We will analyze the market reaction to the post-election data, and will examine the damage to a typical securities portfolio. We'll also highlight securities that performed well during the sell-off, and make recommendations about those that appear to be built for a rising rate environment.
1:50 – 1:56 p.m.	6-MINUTE DRILL – <i>Travelers Insurance</i>
1:56 – 2:10 p.m.	REFRESHMENT/NETWORKING BREAK
2:10 – 3:25 p.m.	Cybersecurity – Are You Ready to Face the Number One Threat to Mankind? <i>Gerald Gagne, Member of the Firm, Wolf & Company, P.C. (Moderator). Panelists: Michelle McLoughlin, Solvay Bank; Tim Miller, Community Bank, N.A. (additional panelist TBA)</i> Investor Warren Buffet stated cyber as the number one threat against mankind. These are heavy words but who has a better record of seeing the future than the Oracle of Omaha. In the 60's, the threat was more observable and we prepared by building shelters (how many remember "Duck and Cover"). How are you preparing for the threats of today? Do you know where your vulnerabilities are and how best to mitigate them? Come hear this panel discussion on the latest threat intelligence and what you should be doing to prepare your organization against the number one threat against mankind.
3:25 – 3:31 p.m.	6-MINUTE DRILL – <i>Promontory Interfinancial Network</i>
3:31 – 5:30 p.m.	MAID OF THE MIST OR CAVE OF THE WINDS TOURS/FREE TIME

8:15 – 9:05 a.m.	Embracing the Millennial Revolution: How to Attract and Retain Millennials as Bank Customers and Employees. <i>Chris Soule, ncino</i> <p>There is a cosmic demographic shift happening in the U.S., driving change across industries large and small. The baby boomers are retiring, and the so-called millennials are replacing them with increasing economic and cultural muscle. This change is forcing banks to re-think outdated strategies, adjust past tactics and adapt to the reality of millennials both as customers and employees. This session will put the significance of this generational shift into concrete terms and discuss why the challenge of adapting to millennials has thus far been difficult for banks. We will then describe the most important strategic priorities for banks to begin the process for developing their own next-generation corporate cultures and digital engagement experience for the millennial customer and employee.</p>
9:06 – 9:12 a.m.	6-MINUTE DRILL – <i>Accume Partners</i>
9:15 – 10:05 a.m.	The Value of Competition in Payments. <i>Tom Miller, SVP, SHAZAM</i> <p>When did Community Banks lose choice and flexibility in their payments programs? During this session you'll hear how the expenses associated with your debit program may be eroding your profits and where our industry is heading if no one speaks up. We'll shed new light on several strategies that allow community banks to regain control of the payments system, stop rising expenses and increase interchange revenue.</p>
10:05 – 10:15 a.m.	REFRESHMENT/NETWORKING BREAK

Support your industry's political action efforts!

Tuesday, September 26, 2017

This is a wonderful opportunity to help our industry stay competitive in the political process in Albany by supporting IBANYS' state political action committee. NYSIBPAC contributes to New York State candidates and officials who understand and support the vital role we play in our local and state economies, and the very fabric of New York's communities.

DONATE A GIFT. This is a perfect opportunity for you to showcase items from your region or unique items that others will enjoy. The gift donation is not tax deductible. Nationally-chartered banks must donate through a holding company, an individual officer, or a director. State-chartered banks may donate directly or through the holding company.

SUGGESTIONS. Avoid gift certificates for specific values. Participants tend to bid lower than the value stated on the certificates. Instead, consider donating a gift certificate for a specific item (i.e. case of wine or specialty product).

Donating any oversized, perishable or fragile items? Instead of shipping the items to the Convention, consider providing photos and/or marketing materials to advertise your item during the Auction. You can offer to ship items to the winning bidder once the Convention is over.

SHIPPING DEADLINE. All items shipped to IBANYS must arrive **no later than Friday, September 15, 2017.**

GIFT IDEAS. We recommend a minimum value of \$100 for each donation.
