DRESS ATTIRE: Business Casual

6 minute drill returns!

For our **2018 ANNUAL CONVENTION**, IBANYS is continuing with a favorite — the **6 MINUTE DRILL**.

This convention favorite offers our preferred providers the opportunity — from the podium — to take a brisk six minutes and showcase their firms, products and services, demonstrating what they can do to help New York community banks.

Here's the playbook:

WEDNESDAY: We will hear from our preferred providers after each session throughout Wednesday morning.

THURSDAY: We will schedule two more drills — these will feature two of our associate members (see *Sponsorship Form* on page 9 for more information).

Our **6 MINUTE DRILLS** always result in a win — for our member banks, our preferred partners and select associate members.

Don't forget...

YOUR DINNER CHOICE: See page 8 (*Exhibitors, see page 10*) to make your selection for Wednesday evening's dinner.

In this environment, it is more critical than ever to anticipate and respond to emerging threats and opportunities, despite the relentless demands on your time. Thriving independent banks share two important characteristics: an agile strategy and a board that is a strategic asset. In this session, we will discuss a pragmatic way to develop a targeted strategy and to make sure your board is a strategic asset. This streamlined approach to strategy is designed to produce positive, measurable results for your customers, employees, shareholders, and community.

11:06 a.m.–12:00 p.m.	Balance Sheet Management and Your Loan Portfolio <i>Greg Roll, Senior Vice President, Loan Trading Department, ICBA Securities</i> Whether your challenge is increasing earnings, improving capital levels, reducing concentrations, improving your a/L position, or some combination thereof, the solution may be hidden in your loan portfolio. There is an active/liquid market for whole loans, and loan production has picked up in several different asset classes. It is important to understand and consider every alternative for actively managing the largest asset class on your balance sheet, and positioning your institution for success.

Wednesday September 26, 2018

12:00–12:45 p.m.	LUNCH/NETWORKING BREAK

1:36–2:21 p.m.	Opportunities to Access New Capital – The Case For And Against <i>Chet Fenimore, Managing Partner, Fenimore, Kay, Harrison & Ford, LLP</i> Raising capital in the public and private markets is a complicated and expensive process, and there are pros and cons to both. This discussion group explores the various alternatives to raising debt and equity capital privately or in a public offering. Topics for discussion include IPOs, private placements, private equity and other creative solutions for raising capital in today's environment.
2:21 –2:27 p.m.	6-MINUTE DRILL – <i>Homestead Funding</i>
2:27–2:40 p.m.	REFRESHMENT/NETWORKING BREAK
2:40–3:30 p.m.	If You Don't Have a Digital Payments Strategy – Here is Why You Should <i>Tina Giorgio, ICBA</i> If you don't have a digital payments strategy, you're not alone. In fact, 87% of banks don't have a strategy. In high performing banks, half of the non-interest income comes from payments. But where do you begin? Tina provides an overview of why digital payments are important, emerging trends, and where to start.
3:30–3:36 p.m.	6-MINUTE DRILL – <i>T.Gschwender & Associates, Inc.</i>
3:36–4:25 p.m.	Exploring Changes in the Risk Universe <i>Michael Cohn, CPA, CISA, CEIT, Director of WolfPAC Solutions Group, Wolf & Company, P.C.</i> The risk universe that we knew earlier in our careers is being overtaken by emerging threats at the fastest pace we have ever witnessed, and we are responding with new tools and business practices just as quickly. Can we be sure, though, that we are moving fast enough and in the right direction? Yesterday's progressive risk management concepts and practices are becoming table stakes, and the ability to measure buffer capital available for new products and services requires a new level of precision. Get a glimpse into the ways the financial industry's risk management mechanisms are changing and what we can expect in the years leading up to 2020 and beyond.
4:25–4:31 p.m.	6-MINUTE DRILL – <i>Travelers</i>
4:31–5:20 p.m.	How to Identify and Assess Commercial Lending Risk Using Analytics <i>Dan Gerena, MBA, CSSBB, Senior Manager, Business Intelligence, Freed Maxick CPAs, P.C.</i> All banks have a methodology to determine whether or not to underwrite a loan to a prospective borrower. What often gets overlooked, once the ink dries, is the continuous evaluation of the risk associated with default as those lending relationships mature, and are subject to exposure to shifts in demographics, the loss of large employers in a region, dynamic impacts on industry's health due to technology changes and competitive pressures, or even an understanding of the cumulative and aggregate risks related to "single name exposure" as portfolios grow. We will discuss how Freed Maxick helped a local community bank approach the challenge above, and move from a spreadsheet-driven, static approach to a visual and dynamic approach that makes it intuitive to run scenarios and identify opportunities to mitigate risk, using business intelligence and analytics.
5:30–7:30 p.m.	TRADESHOW FLOOR OPENS – Cocktail Reception, PAC Silent Auction (silent auction ends at 7:15)
7:30–10:00 p.m.	DINNER – Keynote Speaker – <i>Rebeca Romero Rainey, ICBA President & CEO</i>

8:15–9:05 a.m.	Mindset Matters: Improving Profitability By Changing Mindset <i>Chris Scaffidi, Director of Market Development, The Pacific Institute</i> Mindset is an attitude or a way of thinking that has a significant impact on our beliefs and performance, and how we live our lives. Mindset in the workplace has a profound impact not just on the individuals involved but also on the profitability of the organization. This session will help attendees understand how the mindset of the bank's customers plays a factor in the mindset of the bank's employees and address specific profitability measures that are impacted by a shift in mindset.
9:05–9:11 a.m.	6-MINUTE DRILL – Sponsorship opportunity
9:11–10:00 a.m.	Providing a Frictionless Banking Experience: What Banks Can Learn from Apple <i>Joe Salesky, CEO, CRMNEXT, Inc.</i> As the pace of change in the financial services industry continues to escalate, banks are faced with the dilemma of staying relevant while continuing to grow profitability in an increasingly competitive marketplace. We know customers' profitability and loyalty are closely correlated with the engagement they have with individual brands, and for today's consumer, a frictionless yet collaborative experience is key. This session will help you answer the question "Is it easy for my customers to do business with my bank?" and provide ideas on how you can make it easier for your customers to work with you so the experience feels frictionless.

SILENT AUCTION

**2018 ANNUAL
convention**
Albany, NY - Sept. 25-27, 2018

Support your industry's political action efforts!

Wednesday, September 26, 2018

This is a wonderful opportunity to help our industry stay competitive in the political process in Albany by supporting IBANYS' state political action committee. NYSIBPAC contributes to New York State candidates and officials who understand and support the vital role we play in our local and state economies, and the very fabric of New York's communities.

DONATE A GIFT. This is a perfect opportunity for you to showcase items from your region or unique items that others will enjoy. The gift donation is not tax deductible. Nationally-chartered banks must donate through a holding company, an individual officer, or a director. State-chartered banks may donate directly or through the holding company.

SUGGESTIONS. Avoid gift certificates for specific values. Participants tend to bid lower than the value stated on the certificates. Instead, consider donating a gift certificate for a specific item (i.e. case of wine or specialty product).

Donating any oversized, perishable or fragile items? Instead of shipping the items to the Convention, consider providing photos and/or marketing materials to advertise your item during the Auction. You can offer to ship items to the winning bidder once the Convention is over.

SHIPPING DEADLINE. All items shipped to IBANYS must arrive **no later than Friday, September 14, 2018.**
