

Forest Service
U.S. DEPARTMENT OF AGRICULTURE

Superior National Forest

Superior National Forest is Hiring up to 30 Entry-level Techs August 14 – 21, 2023

Position(s): Entry-level Forestry Technicians in Timber, Silviculture, & Recreation

Where: Grand Marais, Tofte, Aurora, Ely and Cook, Minnesota

When: Applications will be accepted on-line via USAJobs.gov from August 14 - 21, 2023

What: GS-0462-04 Forestry Technician positions with full performance levels of GS-05, 06, or 07 based on the position being filled.

Application Workshops:

***Monday, August 14**, come in-person and we will help potential candidates navigate the hiring system and get advice.*

Locations:

- **3:00 - 6:00pm; Gunflint Ranger District office**, 2020 West Highway 61, Grand Marais, MN 55604. For more information on this event, contact Myra Theimer at 218-387-1750 at the Gunflint Ranger Station.
- **5:00 - 8:00pm; Virginia Public Library**, 215 S. 5th Ave., Virginia, MN 55792. For more information on this event, contact Kelvin Tryon at 218-453-8650 at the Laurentian Ranger District.

Forestry technicians perform a variety of work to help the National Forest System meet goals for forest restoration, resiliency, and management. Duties are specific to location and could include marking for timber sales, forest inventory, reforestation and stand improvement, timber sale boundary layout, and recreation and trails management. <https://www.fs.usda.gov/working-with-us/careers/recruitment-events/forestry-technicians-and-aids-0>

These entry-level positions are **for candidates with just a year of work experience or 2 years of college or vocational school**. These permanent, full-time positions provide a pathway to launch a career with the Forest Service.

Visit the Forest Service website for more details about available positions and locations. Join our team and gain on-the-job training, broad experience, and built-in opportunities for advancement.

We look forward to working with you.
