

Scouting for Food Covid-19 Guidelines

Basic Guidelines:

- Work in household groups or existing, stable den/patrol cohorts when distributing door hangers and collecting food.
- Scouts should only be transported in cars by their own parents.
- Wear Scout uniform.
- Follow County and Marin Council Guidelines:
 - Participant Health Screening Checklist
 - Facemasks
 - Physical Distancing

Distributing Doorhangers:

- Plan routes in advance, assigning blocks to specific households or den/patrol cohort groups.
- Minimize interaction of household /cohort groups.
- Walk as much as possible.
- Support vehicles should carry hand sanitizer for frequent hand cleaning.
- Set and show a safe example - wear masks and respect your neighbors.
- Door hangers can be distributed anytime between Saturday 11/7/2020 and Tuesday 11/10/2020.

Marin Council, Boy Scouts of America
Scouting for Food Collection Drive
Sunday, November 15, 2020
Beginning at 10 AM

Scouts throughout Marin are conducting our annual food collection drive to help families supported by the SF/Marin Food Bank. Place food donations in a bag for pick-up, and on **Sunday 11/15/2020 by 10 AM**, leave that bag on your driveway or a distance from your doorstep.

Please, no glass jars or bottles, no open containers or unsealed items, and no frozen or perishable items. Canned food and dry goods are ideal.

Our Scouts will be taking COVID precautions. Please help by washing or sanitizing your hands before placing your donations in a bag. If you are not feeling well, please do not participate. If you would be more comfortable donating directly – most grocery stores have donation barrels for the SF/Marin Foodbank.

To help other people at all times"

Donation Collection:

- Determine in advance which vehicles will be transporting donations to the food bank.
- Use a tarp in your trunk or large plastic yard waste bags to help contain the bags of donated items you collect.
- Collect food following the same household groups or cohorts used for distribution.
- Support vehicles should "trail" Scouts and accept bags as they are collected.
- Scouts are to sanitize hands after handling a bag - each and every time please.
- Handle donations as little as possible.

Transporting donations to the Foodbank:

- Food donations should be transported in the same vehicle they are collected in. Do not handle donations unnecessarily by consolidating into larger trucks or trailers.
- Donations should be taken to SF-Marin Food Bank
2550 Kerner Blvd, San Rafael, CA 94901
- Scouts will be onsite to help unload your vehicle. You should remain in the car while we unload.
- There will be no BBQ this year. After unloading you can return home knowing you've done a good turn.
- As a best practice, wipe or disinfect surfaces on your car that were frequently touched.
