Introduction to Outdoor Leader Skills (IOLS)

April 30 – May 1

Trainers from Redwood Empire and Marin Councils are collaborating to provide this important overnight course at scenic Camp Tamarancho. To safely lead Scouting's outdoor program you need a core set of skills and knowledge. Here, you'll learn how to build a fire, handle an axe, cook outdoors, use a map and compass, be a responsible steward of the outdoors, and much more. Even if you weren't a Scout in your youth, you'll come away from this course looking and acting like a seasoned camper! Completing this overnight course, *Weather Hazards*, the *Scoutmaster/Asst. Scoutmaster Leader-Specific Training*, and *Youth Protection Training* will make you a "fully-trained" Scouts BSA leader.
