Announcing Our New Ordering Website

Use a web browser to login and view our line up of exceptional products. Easily see all deal items and build templates to save time ordering the products you regularly need.

**Works with ALL
major web browsers!**

How To Access

- 1 Use the following website address: **<http://corso.ziizii.net>**
- 2 Your initial username and password is **Corso (with a capital C)** and **your account number**. For example: if your account number is 1234, then your login/password is Corso1234.

**From all of us at Corso's, we sincerely
THANK YOU for your business!**

Announcing Our New Tablet & Phone Ordering App

Want to send us orders using your phone or tablet? There's an app for that! Download it today and you can access our product catalog in the palm of your hand.

- ▶ See all of our products & prices
- ▶ Send in orders
- ▶ Scan UPC's with your device camera and/or a Bluetooth scanner.

Available For: Apple, Android, Samsung, Amazon Kindle Fire & Google Mobile Devices

How To Use

- 1 Visit the App Store from your device and search for: **ZiiZii**
- 2 Download the free app to your device.
- 3 Open App and tap "click here to get started" or "click here to continue"
- 4 Input the following details:
 - ▶ Server URL - **<http://corso.ziizii.net/JellyCorso/>**
