

Mitten Rock Farm Bulk Purchase Sheet

I _____ certify that I am purchasing beef from Mitten Rock Farm before it is slaughtered, thereby I am purchasing a portion of that animal, that will be processed professionally in a non-USDA facility and processed how I chose.

How much do you plan on Purchasing? (check next to your column of interest)

Portion	Amount	Total Cost	Deposit Requested
1/32 cow	~11lbs. of beef	\$100	\$20

How would you like your portion processed? (Please note that we may not be able to meet every request but we will do our best to accommodate everyone's preferences)
