

CRISP Post-Acute Daily Reporting Updates

- Replacing the initial questions “Are you accepting residents today?” and “Are you accepting COVID + residents?” with:
 - Are you accepting NEW (not returning) residents today?
 - Are you accepting NEW (not returning) COVID-19 Positive residents today?
 - Are you accepting NEW (not returning) Non-COVID-19 residents today?
- In the facility’s clinical capabilities section:
 - The question “Hemodialysis” has been changed to “Hemodialysis-Onsite”.
 - An additional question “Tracheostomy” has been added.
