

The Maryland Department of Health would like to invite **all healthcare workers** to the Centers for Disease Control and Prevention's Project Firstline!

Please visit the PROJECT FIRSTLINE site and select the FREE infection control courses, either self-guided or facilitated, that work best for you. We encourage you to take as many courses as you would like and to share with others in your organization.

1. First, scan the QR code or go to project-firstline-mdh.nextthought.io.
2. Select "**Get Started**" and follow the directions to create your account.
3. Once you are logged in, click on the "**How to Register for a Course**" community.
4. Additional instructions, including how to earn CMEs, CNEs or CPEs, are posted.

Contact Lynne Layug, at llayug@hqi.solutions or 804.287.0288, if you have any questions or would like a facilitator for a group session.

PROJECT FIRSTLINE IS FOR YOU
