

# Brookman-Frazee Lab

## Internship Opportunity!

- *Are you interested in child clinical psychology?*
- *Would you like to gain research experience in preparation for graduate school?*
- *Are you interested in learning more about mental health interventions for children?*
- *Do you want to learn more about autism spectrum disorder and other mental health disorders?*

Dr. Lauren Brookman-Frazee and colleagues at the Child and Adolescent Services Research Center (CASRC) are offering an opportunity to become involved in research on two NIMH-funded studies: 1) examining the long-term use of evidence-based interventions for children receiving mental health care (“4KEEPS” Study) and 2) testing the implementation of two evidence-based interventions for children with autism spectrum disorder into community settings (“TEAMS” Study).

### Requirements:

- **Full Spanish comprehension**
- Commitment: 10 hours/week for at least 2 consecutive semesters (beginning in Fall 2018)
- Reliable transportation to CASRC located at Rady Children’s Health Services in Kearny Mesa

### Preferences:

- Junior or Senior status
- Minimum GPA: 3.5

Please contact Catherine Kennedy for more information and an application.

**Applications are due by Sunday, August 12<sup>th</sup> at 11:59pm.**
