Focused Feedback for Focused Instruction

CaPS PD NOW
CALIFORNIA PRIVATE SCHOOLS PROFESSIONAL DEVELOPMENT

A collaborative effort between the California Department of Education and the Private School Community

Fine-tune your approach to checking for understanding.

In these four-day webinars, Bernadette introduces quick and efficient ways to monitor the progress your students are making toward learning goals. A teacher asks, "Did they get it?" A student asks, "Does it make sense to me?" Learn how to use this type of reflection to provide direction for future learning using feedback tools that are timely, specific, and clear.

Webinars will run Mondays through Thursdays. Both afternoon and evening sessions are offered.

There is **NO COST** to attendees!

Please log on approximately 10 minutes early so the webinar can begin on time.
